

Release Notes «9th February 2023»

With the release of 9th February 2023, enhancements and improvements were implemented in the following areas.

Area	Details
DeepBox	<p>Various improvements:</p> <ul style="list-style-type: none">- The row density setting now also works in subfolders- All DeepBox dashboard items can now be opened in a new tab- The box name is now displayed in the browser tabs- Fixed bug when displaying file details when a file is selected- Improved error message when a file cannot be moved to a specific location- Improved language fallback logic for share links- Fixed bug with "Remember me"- Improved error handling when the member does not have access to a specific folder
Onboarding	<p>Improved wording for company Onboarding</p>
Mailing	<p>Various improvements:</p> <ul style="list-style-type: none">- The language of the initiator is used for the invitation emails- The custom mail template has been optimised for Microsoft Outlook- Improved wording for plurals in DeepSign mails

DeepSign

Various improvements:

- Document title is displayed in browser tabs
- Improved focus behaviour when adding signatures
- A reminder email is now sent for open signatures after 7 days
 - o Reminders can be defined via placeholders: #deepsign-reminder#4#
- Observers can now be invited for documents. They cannot sign but can follow the process. If a user is added as an observer with admin rights, he has the same right as the initiator
 - o The function can be activated in the expert settings (see below)
 - o Observers can be defined via placeholders
 - #deepsign-observer# -> Observer, without predefined e-mail
 - #deepsign-observer#foo@bar.com# -> Observer with predefined e-mail
 - #deepsign-observer#foo@bar.com;admin#-> Observer with admin rights

The screenshot displays the DeepSign interface with several key elements highlighted:

- Security Level:** The 'Qualified' level is selected, indicated by a red box.
- Expert Settings:** A modal window shows 'Show expert settings' is enabled, with a red box around the toggle.
- Observers List:** A table lists users with their roles and status:

User	Admin
dimideepdev@gmail.com	<input type="checkbox"/>
manuel.jenni@deepcloud.swiss	<input type="checkbox"/>
hr@deepcloud.swiss	<input checked="" type="checkbox"/>
- Add Message:** A red box highlights the 'Add message' input field in the 'OBSERVERS' section.
- Navigation:** A blue arrow points from the 'Add message' field to the 'Add observer' button.

At the bottom of the interface, there are 'Cancel' and 'Save' buttons.
